In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both

Just as the engine, gearbox and diff in a traditional vehicle all have a finite service life, so too does the battery pack in a hybrid vehicle - eventually they all require replacement. When that time comes, there's essentially two options: New (OEM) or offsite repair - if you can find a service provider near you. Read
