Human Relations not only studies the "whys" of behaviors, but also how that knowledge can be applied in practical ways to anticipate, prevent or resolve problems. As we focus on the study of how people satisfy both personal and work-related needs, consider that human traits such as emotional control, self-awareness and creativity are interdependent

Effective Human Relations: Interpersonal and ...

One of the most important interpersonal skills in any job is communication. Whether you work in IT, customer service, construction, or any other industry, you will need to be able to communicate clearly and effectively with others through both oral and written communications. Some jobs also require skills in effective public speaking.
