GO Math! Information - Sherwood Elementary

Math in 4th Grade In 4th grade, students master and further their multiplication, division, and general computation skills. They learn how to solve real-life word problems using the four basic operations: addition, subtraction, multiplication, and division.

The Guide to 4th Grade | Scholastic | Parents

Transitioning between third and fourth grade is a big step from the lower elementary level to upper elementary. Students are expected to continue digging deeply into the complexities of math, reading, and writing; to expand their thinking skills; and to work more independently on advanced, structured material.
