with the state. As a movement, nationalism tends to promote the interests of a particular nation (as in a group of people), especially with the aim of gaining and maintaining the nation's sovereignty (self-governance) over its homeland to create a nation state. Nationalism holds that each nation should govern ...

Wikipedia

The historiography of the British Empire refers to the studies, sources, critical methods and interpretations used by scholars to develop a history of Britain's empire. Historians and their ideas are the main focus here; specific lands and historical dates and episodes are covered in the article on the British Empire. Scholars
