The last time I looked Marvel still made a power hacksaw. I have an old power hacksaw that was my first power metal cutting saw. Before that it was a hand held. . There is a place for them in cutting round stock. You can walk away and work on other things. I love my marvel tilt head band saw with the friction feed better.

Power Hacksaw Manual Parts
I am looking at buying a Marvel 4B power hacksaw and was wondering if anyone had a manual still for these gems. I also had a question that hopefully one of the more knowledgeable members might be able to answer. What is the maximum size material a 4B will cut? The current owner says it will cut up to 12 1/2" wide by 7" tall.
