copy business guides, instead it takes a personal look into the business world; after all a business is very personal to its owner. Kademan keeps the entire book informal and light-hearted while still comprehensively dealing with the issues that plague practically every business, young or established.

## **Entrada Book Reviews | The Bold Business Book**

BOLD is a roadmap for entrepreneurs to help us get there.” —Eric Schmidt, Executive Chairman, Google “If you read one business book in the twenty-first century, this should be the one. When Peter and I cofounded Singularity University, we based it on the ideas of exponential change and ‘learn by doing.’
