The Burning Time Timeline 10

'The Burning Time' is Book 5 of the alternative history series Timeline 10/27/62. It is February 1964 in a World in which the 'swinging sixties' never happened. The atomic mushroom clouds over the Mediterranean have dispersed and now as the World teeters on the brink of a new thermonuclear war, it is dawning on the 'victors' that their 'victory', far from being absolute, was tragically pyrrhic.

Finally, they examined literature from the Inquisitorial records, to see if any major witch-hunt cases took place at the time in that particular area. What they eventually ended up with was a collection of numbers far lower than originally suspected. In fact, modern scholars place the actual Burning Times death toll at between 40,000 and 200,000.

What Were the Burning Times? - Learn Religions

The Burning Time is a vivid insight into an era in which what was orthodox one year might be dangerous heresy the next. The first martyrs were Catholics, who cleaved to Rome in defiance of Henry VIII's break with the papacy. But with the accession of Henry's daughter Mary - soon to be nicknamed 'Bloody Mary' - the charge of heresy was leveled ...
